### **Prayers of intercession**

#### **Please pray this week for**

- Those affected by the flooding in the North East and also those in Columbia after damaging flooding in 3 of the country's departments.
- Those affected by drought caused as a result of climate change including Kenya and the Sudan
- The NHS as they come under increasing pressure as we enter the winter months.
- All those involved seen and unseen into faithfully leading and helping with all the Sunday Services around the North Wingfield Team. That they would be encouraged and sustained in their roles.
- For those preparing for COP26 and that all coming would propose and be willing to make decisions that will really impact the climate emergency.
- The elderly, isolated and vulnerable, please be near to them, may they feel your presence and know they are not alone.
- Those who mourn for their loved ones. Wrap your loving arms around them, draw them close and grant them your peace.
- Our Team, Lynn Hayler, Lay Readers, Churchwardens, Treasurers, Vergers, Dad's Army, Church Family, and all who support in prayer and other voluntary ways.
- Those we know who are unwell, those waiting for operations, scans etc. For strength and healing.
- Christians around the world facing persecution and danger.
